EE KOK SHIANG

✦ UI/UX DESIGNER   ✦ FRONT-END DEVELOPER   ✦ GRAPHIC DESIGNER

ⓘ Since you're seeing me through the lens of a UI/UX designer or Developer, I'd love for you to explore my resume on my website: www.eekokshiang.com.

4 YEARS OF WORKING EXPERIENCES

I originally started my career as a graphic designer, focusing on physical design, materials, and related aspects. Over time, I transitioned into an IT company as a designer, where I expanded my knowledge into UI/UX, programming, finance, and crypto. Throughout the past three years, I have continuously learned and evolved in these fields, broadening my expertise beyond design.
